Rabies—Muzzling and Impounding of Dogs. (Ord. 5293, Oct. 14, 1913.)

SECTION 1. It shall be unlawful for any person owning, harboring, or having the charge, care, control, custody, or possession of any dog to allow or permit such dog to go free or run at large in or upon any public street, alley, or other public place, or in or upon any uninclosed lot or premises, unless such dog is so muzzled as to prevent the same from biting any person or animal.

SEC. 2. The word "dog" as used in this ordinance shall be deemed to mean a female as well as a male dog.

The term "uninclosed lot or premises" as used in this ordinance is hereby defined to be any lot, land, or premises not inclosed in such a manner as to prevent any dog confined therein or thereupon from escaping therefrom.

SEC. 3. It shall be the duty of every poundmaster and of every police officer of the city of San Diego to take up every dog not muzzled as required by this ordinance found going free or running at large in or upon any public street, alley, or other public place, or in or upon any uninclosed lot or premises within the said city. If any such dog is taken up by any person other than a poundmaster, such dog shall be delivered to the poundmaster, and he shall impound in the public pound all dogs taken up pursuant to the provisions of this ordinance.

SEC. 4. Upon receipt by the poundmaster of any such dog, if the said poundmaster shall have reason to believe that the same is afflicted with rabies or hydrophobia, or has been bitten by any dog affected with or suspected of being afflicted with rabies or hydrophobia, or that has been exposed to the infection of rabies or hydrophobia, the said poundmaster shall separately confine and keep so confined such dog, and shall immediately notify the health officer or his deputy thereof. The health officer or his deputy shall thereupon make such examination of such dog as the said health officer or his deputy may deem necessary. If, upon such examination, the health officer or his deputy shall determine that such dog is afflicted with rabies or hydrophobia, he shall so notify the poundmaster, and the said poundmaster shall thereupon immediately kill such dog and shall cause the remains and carcass thereof to be cremated in the city incinerator.

It shall be the duty of the poundmaster to keep every such dog suspected of having rabies or hydrophobia so confined for such time as the health officer or his deputy may direct, and such dog shall not be redeemed or released except upon an order, in writing, signed by the said health officer or his deputy.

SEC. 5. The poundmaster shall keep confined at the public pound, properly provided with food and water, all dogs delivered to him pursuant to the provisions of this ordinance, and in the event that there is attached to any such dog so delivered a license tag of the city of San Diego, for the year in which such dog shall have been so delivered, issued pursuant to the ordinances of the said city, it shall be the duty of the poundmaster to give notice of the impounding of such dog to the owner or of the person claiming to own such dog and to whom such tag shall have been issued, as shown by the record thereof. Such notice shall be given by mailing to such person, postage prepaid, a notice in writing, stating the fact that such dog has been impounded, which notice shall be addressed to such person at the address shown by such record.

Any person owning or claiming to own any dog so impounded may redeem the same by the payment of the sum of \$1 and also 25 cents a day for keep to the poundmaster. Such person shall also secure a proper license tag if a license tag has not been issued for such dog as provided by the ordinances of the said city.

Every dog which is not redeemed within the time specified in this ordinance for such redemption shall be killed, unless otherwise disposed of as provided by this ordinance, and the remains or carcass of such dog shall be cremated in the city incinerator; provided, however, that after the notice required by this ordinance shall have been given, the poundmaster may dispose of any unredeemed dog by gift or sale to

any person who will pay the pound fee and procure the necessary license tag for the current year.

Nothing, however, in this ordinance contained shall be construed as permitting the redemption, sale, or giving away of any dog having or suspected of having or having been infected with rabies or hydrophobia.

SEC. 6. It shall be the duty of the poundmaster and of each of the deputy poundmasters and of every police officer and special officer of the city of San Diego to kill any dog found in or upon any public street, alley, or other public place, or in or upon any lot or premises, known to have rabies or hydrophobia, or known to have been bitten by any dog having rabies or hydrophobia.

SEC. 7. It shall be unlawful for any person to interfere with, oppose, or resist any poundmaster or any police officer or any special officer of the said city or the health officer, his assistants, deputies, or inspectors, or any employee of the health department while engaged in the performance of the duties prescribed by the provisions of this ordinance.

SEC. 8. The health officer, his assistants, deputies, and inspectors, and the employees of the health department are hereby empowered to enter upon private property for the purpose of ascertaining whether any dog kept or harbored thereon is afflicted with rabies or hydrophobia.

SEC. 9. That any person, firm, or corporation violating any of the provisions of this ordinance shall be deemed guilty of a misdemeanor, and upon conviction thereof shall be punishable by a fine of not more than \$500 or by imprisonment in the city jail for a period of not more than six months, or by both such fine and imprisonment.

Each such person, firm, or corporation shall be deemed guilty of a separate offense for every day during any portion of which any violation of any provision of this ordinance is committed, continued, or permitted by such person, firm, or corporation, and shall be punishable therefor as provided by this ordinance.
